Once a file or folder is locked, or hidden, it cannot be read or used by anyone until it is.. On the surface, Advanced File Lock seems to fulfill its purpose well enough, but we found enough quirks--and one feature that just didn't work--to make us want to bypass the application altogether.

Especially with the proprietary file-selection mechanism, which breaks standard Windows file selection conventions and makes the interface feel clunky.. 0 (criaÃ§Ã£o de logo)download from 4shared Instantly locks or hides any file or folder using a password with a click.. The interface appears clean and simple, but we would have preferred direct Windows Explorer integration.. Portable Advanced File Lock 6 0 WaXyDeAd Software Download freeware and shareware software utilities and apps.
